

## GBIC Optical Transceivers

SFP Optical Transceivers with various data rates, wavelength options and distances up to 80 km. All products are MSA (Multi Source Agreement) compatible. Vendor-specific versions available by request.

### Specifications

- Dual data-rate, 1.25Gbps/1.0625Gbps
- MSA compatible
- Vendor specific versions available
- Duplex SC connector
- Single power supply 3.3V / 5V
- Hot pluggable
- Operating temperature: 0..+70°C
- Class 1 laser product, complies with EN 60825-1
- RoHS compliant
- 3 years warranty

### Ordering Information

Product Code	Wavelength	Connector	Distance
NG-SX	850 nm	SC Duplex	550 m
NG-LX	1310 nm	SC Duplex	20 km
NG-LH	1310 nm	SC Duplex	40 km
NG-ZH	1550 nm	SC Duplex	80 km
